2001 Librarian's Report

The trustees and I want to thank everyone for the contributions to the library this past year, whether in donated time, money, books or videos.

It has been an exciting year. We had our summer reading program. It was very successful. We felt that Brenda did a wonderful job. This fall Brenda did a wonderful job. This fall, Carol Hall started a story hour and that is a lot of fun for the children. We have had as many as nine children attend.

The library received the CLIF awards this year and we now have over 75 new children's books. The children and mothers are all enjoying them.

The friends are going on their eighth year this March and all are welcome. They are doing a great job. They have had two book sales. One at the Wildlife Festival and the other one was the Saturday after Thanksgiving. They are planning another one in warm weather.

Thank you, John, for your help in winding the clock, it's nice to have it running and it wouldn't be without your help.

Respectively submitted,

Anne Bragg

TRANSMITTAL AND COMMENTARY LETTER

To the Board of Selectmen,
Errol, New Hampshire:

In planning and performing our audit of the financial statements of the Town of Errol, New Hampshire for the year ended December 31, 2000, we considered the Town's internal control structure to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance of the internal control structure.

However, during our audit we became aware of the following conditions that should be corrected in order to strengthen internal controls and operating efficiency. This letter does not affect our report dated July 19, 2001 on the Town's financial statements. These remarks are being made in the hope that they will improve existing procedures and are not intended to criticize Town personnel.

1. *Condition*

At yearend, the Town had approximately \$111,000 in its checking account, earning no interest. Additionally, the Trustees of the Trust Funds held about \$128,000 in savings accounts bearing interest at 2 $\frac{3}{4}$ %-3%.

Recommendation

Again this year, we recommend that the Selectmen and Treasurer move excess funds that are not needed in the near term from the Town's checking account to New Hampshire Public Deposit Investment Pool (NHPDIP) or other investments with a comparable yield and liquidity. We also recommend investigating a change from a regular checking account to an interest-bearing checking account so that all funds are earning at least a nominal rate of interest. More careful cash management may yield several thousand dollars of additional income annually.

Similarly, as before, we recommend that the Trustees invest all trust funds in certificates of deposit or in NHPDIP. Such a change could substantially increase the annual interest earned on these funds.

Board of Selectmen
Town of Errol

2. *Condition*

Selectmen's approval for pay changes for Town employees is not documented in writing.

Recommendation

Any change in pay for a Town employee should be signed by a majority of the Selectmen and placed in the employee's personnel file as evidence that the pay change is properly authorized.

It is our understanding that the Selectmen have taken steps, subsequent to yearend, to implement this suggestion.

In our report for the year ended December 31, 1999, we indicated that the Town's records were neither complete nor accurate at the time we began our audit work. This condition stemmed from the untimely, and unexpected, departure of the Town's bookkeeper and the subsequent discovery that a significant backlog of work had been left undone. We were pleased this year that the accounting records were complete and supporting records were accessible and provided a good audit trail. We commend the Town's officers and employees for their diligence and perseverance in resolving this matter.

We appreciate the warm welcome and helpfulness extended us by the Town's administrative staff during the audit.

Very truly yours,

Francis J. Dineen & Co.

Errol Recreation Committee Report

Another recreation committee was formed in April of 2001. After reviewing information from past committees, the amount of funds already set aside for recreation by the town and the school, and assessing the results from a community survey, it was decided to apply for federal matching funds for three recreation projects this year. The grant requests will be submitted in March and we should have an answer in June as to the amount of federal funds that will be available.

The first project is the completion of the tennis/basketball court. The base has been laid so that it has a season to compact, thanks to the Errol Parents Committee. Our first choice of placement was behind the library, but because of the proximity of the well head, the DES would not allow that placement. We will complete this project this summer.

The second project is to upgrade the playground. If we receive the matching grant, we will be able to put in a play system that includes slides, climbing areas, a raised platform and arm strength bars. We would also repair the swings and put new surfacing in the area. This playground will be a community build project. We would also re-level the playing field and have a backstop for ballgames.

The third project will be to improve the gravel boat ramp access to Akers pond that is on town land. The boat registration money was being set aside for this purpose since 1998 and, if we receive the federal match, we will put in linked concrete pads to go into the water, have a handicap accessible dock and increase and improve the parking area. The Akers Pond Road Association has pledged materials and the labor to build an information kiosk and picnic tables and/or benches.

If we do not receive matching funds, we will have to scale back the above projects. We have included a warrant article for additional money to complete the tennis/basketball court this year, even if we fail to get the federal match. This project has been mostly funded for several years, but the interest earned does not catch up with the increase in costs to build. If we get the grant, then we will not spend this additional money.

Sincerely,
Errol Recreation Committee

Message from the Selectmen

Dear Townspeople of Errol,

2001 was a very productive year for the Selectmen.

In June of 2001, the Town's well at the Town Hall went dry. That left only the well at the library to feed the main street side. The town had another well which is on the east side of the river. The Selectmen got permission to run a water line from the east side under the bridge and connect it with the Main Street line. This connection was only a temporary solution. The Selectmen made a request for a grant to hook both sides together permanently. We were granted the request and received \$350,000.00. This gave the Selectmen the finances to make the improvements on our water system. We connected the two water mains by burrowing a line under the river so it wouldn't freeze. With the remainder of the grant, the Selectmen are going to make improvements to the Ease side well and build a new building to house the well and the storage tank.

The Selectmen hired a company to hydofracture the town hall well. This was very successful and we ended up with about 20 gallons per minute. This was not covered by the grant money.

The Town now has good water pressure and enough water to supply the Town.

The Selectmen (Fran Coffin and Larry Enman) would like to recognize one of the Town employees for doing a superb job. She has learned the Cama System and the financial system on the computer. The system is very complex and it takes months before a person can master it. Cheryl put in a lot of hours that she did not bill the town for. Cheryl Lord, the Selectmen of the Town of Errol salute you for a job well done. Cheryl will be working on the state certification and assessing standards mandated by the DRA. This will involve a complete review of all of our records and possibly a revaluation. Our town will have to be in compliance by 2005.

The flood mitigation grant that the town received in 2001 is going along smoothly. The Town changed assessors in the fall of 2001. Any home owner that requested an assessment will be assessed again. The Selectmen have been notified that we can get an extension on the time that the grant was given.

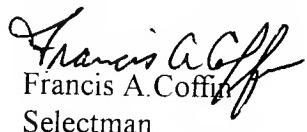

The Selectmen would like to thank all of the Town Officers and Town employees for doing a great job during the year 2001 and helping the Selectmen keeping your taxes down.

The Selectmen hope that 2002 will be just as productive as 2001. The Selectmen's meetings are the first and third Mondays of each month. We welcome our residents and tax payers to attend our meetings.

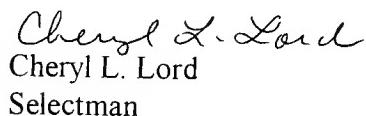

Your Board of Selectmen

- ARTICLE XII:** To see if the Town will vote to establish a Fire Station Building Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of future renovations to the building and to raise and appropriate the sum of \$1,000.00 to be placed in this fund. This sum to come from the fund balance surplus and no amount to be raised from taxation.
(Recommended by the Board of Selectmen.)

A motion was made by Raymond Labrecque and seconded by Wanda Garrow to accept the Article as read. There being no discussion,
Article XII was passed.

- ARTICLE XIII:** Polling hours in the Town of Errol are now 8:00 a.m. to 7:00 p.m..

Shall we place a question on the state election ballot to change polling hours so that the polls shall open at 11:00 a.m. and close at 7:00 p.m. for all regular state elections beginning in the year 2002.

(Recommended by the Board of Selectmen.)

A motion was made by Sharon Miller and seconded by Wanda Garrow to accept the Article as read. Tadd Drumm asked why the hours were being changed. Larry Enman explained that the hours that are held now are too long for the amount of voters we have. The shortened hours were sufficient to accommodate all our voters. There being no further discussion, a voice vote was held and was in the affirmative. Article XIII was passed.

ARTICLE XIV:

To see what action the voters would like the Board of Selectmen to take regarding the Police Department.

(Advisory only.)

- a) Continue as is.
- b) Hire full time
- c) To abolish
- d) To consolidate with county or other town.

Selectman, Francis Coffin explained the four options to everyone. A discussion followed. Terri Ruel asked if anyone had looked into hiring someone who could do a variety of jobs around town and not just police work. She felt a number of jobs could be consolidated to provide someone with a full time job. It would save money in the long run. She also commented that it would be a good thing for the school children to know there is a police officer in town, and that the Rescue Squad sometimes have to wait a long time before the State Police can get to them when they have an emergency. Francis Coffin stated that the State Police are here at night quite often. Herbert Downs thought it a good idea to get someone from town and send them to be trained in order to have an on call officer. Richard Nadig talked about a part time officer from Berlin. Errol had this arrangement before, and he felt it had gone well. He felt we should do this again.

Francis Coffin commented that when we had that arrangement before, and the officers only came here when they had time. He felt we were getting poor coverage.

A voice vote was held to see what option everyone was most in favor of having the Selectmen look into.

Option D "to consolidate with county or other town," was the popular choice.

Sharon Miller then made a motion to untble Article IV. The motion was seconded by Francis Coffin. A voice vote was held and the motion to untble article IV was passed. A motion was made by Raymond Labrecque and seconded by Francis Coffin to accept Article IV as read. There being no discussion, a voice vote was held and Article IV was passed.

ARTICLE XV:

To bring any other business before this meeting. Sharon Miller asked if there was a conflict of interest with Cheryl Lord being both selectperson and Administrative Assistant. Francis Coffin explained that the Selectmen had called the DRA to ask that question, and were told there was not a conflict, since the Selectmen are responsible for work done in the office if there is no one to do it.

Charlie Kurtz asked if the Selectmen had looked into investing funds from the Town's different account into New Hampshire Public Deposit Investment Pool as recommended by the Town accountants.

Larry Enman replied that the Selectmen are looking into this matter.

Alex Grover asked that the Town Minutes be included in the Town Report each year. This had been asked for in the past and had yet to be done.

Norman Eames asked if the Selectmen had paid the School Tax to the State yet. Larry Enman said that they are holding it back this year until DRA decided what to do.

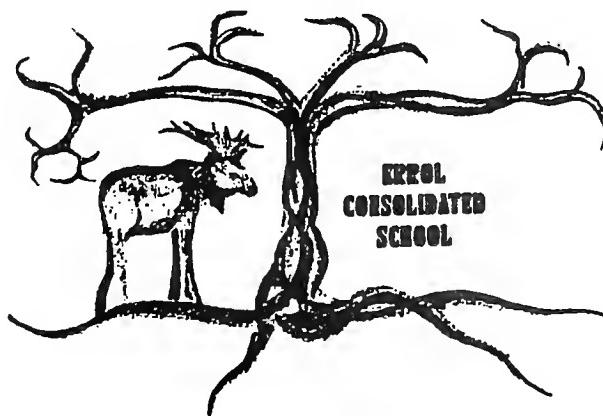

Since there was nothing further to be discussed, Tadd Drumm made a motion to adjourn the meeting. Herbert Downs seconded the motion. A voice vote was held and the motion to adjourn the meeting. Herbert Downs seconded the motion. A voice vote was held and the motion to adjourn was passed. Moderator, Thomas Bembridge declared the meeting adjourned at 7:45p.m.

The polls remained opened until 8p.m. and were then declared closed. Counting of the ballots for Town Officers started immediately. Those counting were Moderator, Thomas Bembridge Supervisor of the checklist, Meri Tivery, and Ballot Clerks, Betty LeDuc, and Paula Gagnon.

Respectfully submitted,

STATE TAX AMOUNTS FOR EDUCATION

How does the State arrive at the Base Cost of \$3,311 for the Adequacy Grant?

The NEAP test scores are checked against those schools that score Basic & Above. Schools that score within the 40% - 60% ranges are placed in a pool. An average is then calculated among those in the 50% range or under. The amount is then multiplied by 9.85% for the elementary level.

How is average daily membership calculated?

Average Daily Membership in Residence (ADMR) of 1999-2000 school year

- Kindergarten students are counted at .5 (they attend half the day)
- High School ADMR x 1.2
- Special Education ADMR
- Poverty weight based on Free & Reduced Priced Meals from October 1999

The above are all added together to come to a "Weighted ADMR" total

Cost of an Adequate Education?

Total Weighted Daily Membership in Residence

Times the Base Cost of \$3,311

+ 70% of Transportation Expenditures

The Rest of the Story!

Take the Town's total Equalized Valuation of 4/1/2000 not including Utilities

Multiply by a tax rate \$5.80 per \$1,000 (Last year's rate was \$6.60)

- If the Cost of an Adequate Education is greater than the State Tax, you receive a **Grant** to make up the difference.
- If the Cost of an Adequate Education is less than the State Tax, you become a **Donor Town** and pay an Excess Education Tax.

A Message from the Superintendent's Offices:

In my two years as Superintendent of School Administrative Unit #20, I have been very impressed with the communities, the school boards, the staffs, and the students, as well as the quality of education being provided. The dedication and commitment to the children is in evidence throughout the school districts. A lot of credit goes to the School Boards that work very hard in these challenging financial times to do the right things for the children. That is not an easy task.

All our schools face some problems or issues concerning: instructional space, overcrowding, curriculum improvement, or building code violations. As advocates for children, we continue to identify the issues and seek your support as it is needed. To help the administration and boards in that effort, we welcome Keith Parent as the new principal at Gorham Middle/High School and Kathy Urso as lead teacher/administrator at the Errol Consolidated School. With the acquisition of these administrators, I assure you that we will continue to effectively meet the everyday needs, but also do the necessary long-range planning and problem-solving.

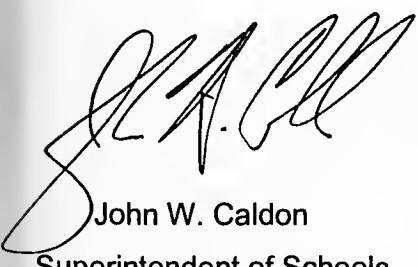

In regards to the financial picture, 2001 has presented its share of challenges. The closing of the local paper mills has affected each district, local community and taxpayer. Coupled with the rising costs of special education and health insurance to name a few, we are forced to carefully consider all costs associated with an adequate education.

Despite this, all districts were able to turn over monies from the fund balance to reduce taxes, including the SAU budget, which reflects a decrease in assessment charges for the coming year. We will continue to try to lessen the burden levied against the districts during this difficult time.

In terms of student services, our goal continues to be to provide positive educational experiences for all students, including students with disabilities. The number of students requiring special education and "Section 504" support is increasing across the country; simultaneously, our local needs have increased as well. Teachers, counselors, and special education staff continue to work together to meet the comprehensive needs of our students in the regular education classroom. One very positive addition to that team of professionals is our new Speech Pathologist/Preschool Coordinator, Todd Butler. Mr. Butler, who brings a great deal of energy and enthusiasm to this position, oversees the preschool programs and provides speech and language services for students in Gorham, Randolph, Shelburne, Milan, Dummer, and Errol.

The School Districts in S.A.U. # 20 have a strong tradition of supporting their schools by being involved in their activities and by supporting the budgets. Most important, however, is that we work together to provide the best education we can. Your children deserve our best efforts. I pledge you my personal commitment to that end.

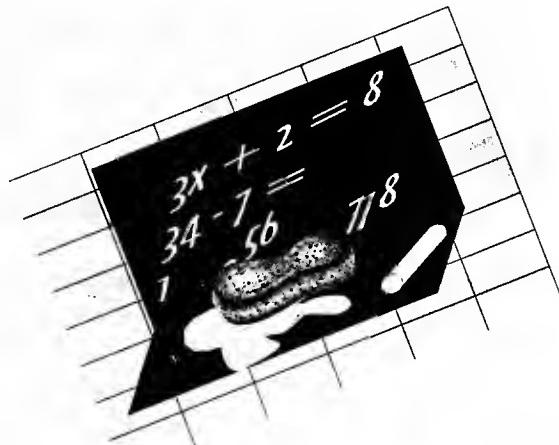

Respectfully submitted,

John W. Caldon

To the Citizens of Errol,

In my first year as principal of the Errol School, I have had the pleasure of working with a very dedicated staff and parents. We currently have twenty six students enrolled in the school; eleven in the K through 5 classroom, fifteen in grades 6 through 8. Mrs. Tivey and Mrs. Tremblay are working with me in the K-5 classroom while Mrs. Eames is out on medical leave. Mrs. Hammond and Ms. Beauchesne work with the middle school students. Mrs. Nelson teaches physical education and library and Mrs. Bean is our school nurse. We now have a music and drama program, taught by Mr. Derose. Mrs. Claudette Eames provides our art instruction. The staff provides after school tutoring four days a week for students. Along with my duties as principal and guidance counselor, I teach social studies to grades 5 through 8.

Our students are very involved in many extra curricular activities. The Student Council and Builder's Club provide opportunities for school and community service as well as leadership training. We have a Trivia Team, entrants in local Spelling Bees and we participate in the Book It! reading program. The students ski and snowboard at the Balsams for six weeks in the winter. They participate in the Jump Rope for Heart fundraiser, the NH State Jump Rope Contest and volleyball and badminton intramurals. Every year we have a science fair, a winter carnival, a talent show and a holiday program. This year we hope to add a Lego program. Many of these programs are supervised by the staff on a volunteer basis, with assistance from parent volunteers.

Our goal is to provide the students with both the academic and life skills that they need to succeed as well as to increase scores on the State Assessment tests. We have written requests and been awarded a number of grants to provide materials and instruction for the use of manipulatives and other "hands on" materials. We have upgraded our computers and have a number of new math, science and social studies programs for the students to work with. We now offer word processing to those students who are interested. We continue to update and revise the curriculum in order to provide the best education for our students.

We would like to take this opportunity to thank the parents and the community for their support and commitment to the Errol Consolidated School.

Errol School District
Annual School Meeting

March 15, 2001

The Moderator, Thomas Bembridge, opened the polls at 3:00 for voting on Articles 1, 2, and 3.

A motion was made by Fran Coffin and seconded by Alex Grover to dispense with the first reading of the Warrant. There being no objections, the Moderator continued to Article 4.

ARTICLE 1: To choose a member of the school board for the ensuing two (2) years.
(By Ballot)

The polls were closed at 8:00 p.m. Ballots were counted at the end of the meeting. Those counting were Thomas Bembridge, Moderator, Carol Norman, Supervisors of Checklist, and Elizabeth Leduc, Ballot Clerk, Pat Calder, Ballot Clerk and Meri Tivey, School Clerk.

There were 31 votes cast. Gloria Coffin received 28, Michelle Coderre 1, and Lori Hall 1. Gloria Coffin was declared elected for School Board for two years.

ARTICLE 2: To choose member of the school board for the ensuing three (3) years. (By Ballot)

There were 31 votes cast. Raymond Pelchat received 22, Chris Bean received 5, and Theresa Choquette received 1. Raymond Pelchat was declared elected for School Board for three years.

ARTICLE 3: To choose a treasurer for the ensuing three (3) years. (By Ballot)

There were 31 votes cast. Terri Ruel received 30 votes. Terri Ruel was declared elected for School Board for three years.

ARTICLE 4: To see if the District will vote to accept the reports of agents, auditors, committees, and officers heretofore chosen, as printed in the Annual Report.

A Motion was made by Fran Coffin and seconded by Larry Enman that Article 4 be accepted as read.

There being no discussion, the Moderator called for the vote. Voice vote was in the affirmative and Article 4 was declared passed.

ARTICLE 5: To set the salaries of school district officers:

School Board Chair	\$200.00
School Board Members (2)	\$100.00 each
Treasurer	\$450.00
Clerk	\$ 25.00
Moderator	\$ 30.00
Supervisors of Checklist (3)	\$ 15.00 each
Ballot Clerks (3)	\$ 15.00 each
(Recommended by the School Board)	

A Motion was made by Larry Enman and seconded by Fran Coffin that Article 5 be accepted as read.

There being no discussion, the Moderator called for the vote. Voice vote was in the affirmative and Article 5 was declared passed.

ARTICLE 6: To see if the District will vote to raise and appropriate the sum of \$66,972.00 for the payment of high school tuition. (Recommended by the School Board)

A motion was made by Ella Eames and seconded by Fran Coffin that Article 6 be accepted as read.

There being no discussion, the Moderator called for the vote. Voice vote was in the affirmative and Article 6 was declared passed.

ARTICLE 7: To see if the District will vote to raise and appropriate the sum of **\$11,700.00** for the operation of the Food Service Program. (Recommended by the School Board)

A motion was made by Larry Enman and seconded by Fran Coffin that Article 7 be accepted as read.

There being no discussion, the Moderator called for the vote. Voice vote was in the affirmative and Article 7 was declared passed.

ARTICLE 8: To see if the District will vote to raise and appropriate the sum **\$4,000.00** for the operation of the Title I and Title VI federal programs. (Recommended by the School Board.)

A motion was made by Fran Coffin and seconded by Larry Enman that Article 8 be accepted as read.

The Moderator asked for discussion.

Fran Coffin wanted to know what Title I and Title VI were. Superintendent of Schools, Jack Caldron responded that the Title I is the program for remedial reading, and Title VI was for money for staff training. He went on to add that both of these programs are federally funded and raised and appropriated, but that the figure has to be mentioned in the Warrant.

The Moderator asked for further discussion, there being no further discussion, the Moderator asked for a vote. Voice vote was in the affirmative and Article 8 was declared passed.

ARTICLE 9: To see if the District will vote to raise and appropriate the sum of **\$10,000.00** to be added to the School Facility Improvement & Expendable Fund as previously established.
(Recommended by the School Board)

A motion was made by Fran Coffin and seconded by Alex Grover that Article 9 be accepted as read.

The Moderator asked for discussion.

Clara Grover asked if this was in addition to the fund that has been previously established under the name of the School Building Fund. Fran Coffin asked if this was the same fund. Pete Eames responded that this was money needed for repairs. Charlie Kurtz asked if this was in addition to the money already in the School Building Fund as listed on page 48 in the town report. Karen Bembridge responded that this was to cover future problems that may come up with repairs for the school which is now beginning to show some age after 13 years. Fran Coffin wanted to know why the School Board didn't feel that the amount of \$48,000 was enough. Theresa Choquette wanted to know why we have to add more. Gloria Coffin stated that we needed to appropriate the money in order to not alleviate funds. Larry Enman asked if we should amend the article to change the wording from School Facility Improvement to School Building Fund.

Fran Coffin made a motion and it was seconded by Larry Enman to amend Article 9 to change the wording to read:

To see if the District will vote to raise and appropriate the sum of 10,000.00 to be added to the School Building Fund as previously established. (Recommended by the School Board).

The Moderator continued that it was moved and seconded to amend Article 9, he asked for a vote, a voice vote was in the affirmative and the amendment to Article 9 was passed.

The Moderator then asked if there was further discussion on the amended Article 9.

Sharon Miller asked if we were expected any expenditures. Pete Eames explained that the building is 13 years old. There has been problems with the hot water heater, the furnace, the dishwasher and the freezer in the kitchen. The carpeting is also beginning to fray in some places and will need to be replaced. Betty Leduc asked if this money was for the building or the maintenance. Jack Caldron stated that it was going back to what the fund was originally established for. Fran Coffin asked if the School Board knew what they have been paying for maintenance in the past. Jack Caldron responded yes, but the money has come out of line items. Betty Leduc asked how much does there have to be in the fund before it starts getting used. John McEwen asked how high it

will be before the School Board will stop asking for money. Gloria Coffin responded that they can't definitely say because one never knows what expenditures will be needed.

The Moderator asked for further discussion.

Fran Coffin asked to make another motion to state that amount in Article 9 be changed to read 10% of what is in the fund now. Jack Caldron responded that he had to give a certain dollar amount. Fran Coffin continued that he wanted to make another motion and it was seconded by Rick Nadig to further amend to Article 9 to change the amount to \$4,300.

The Moderator continued that it had been moved and seconded that the amended Article 9 read:

To see if the District will vote to raise and appropriate the sum of \$4,300.00 to be added to the School Building Fund as previously established. (Recommended by the School Board).

The Moderator asked for a vote on the amendment, voice vote was in the affirmative and the amendment was passed.

The Moderator then reread the amended Article 9.

ARTICLE 9: To see if the District will vote to raise and appropriate the sum of \$4,300.00 to be added to the School Building Fund as previously established. (Recommended by the School Board).

Fran Coffin made the motion and it was seconded by Larry Enman to accept the amended Article 9.

The Moderator asked for a vote and voice vote was in the affirmative and amended Article 9 was passed.

ARTICLE 10: To see if the District will vote to form a playground committee to be made up of administrators, school board members, and interested community members to study the needs pertinent to recreation and grounds.

Sharon Miller made a motion and Alex Grover seconded that Article 10 be accepted as read.

The Moderator asked for discussion.

Fran Coffin wanted to know how the community members were going to be chosen. Pete Eames said that they were looking for volunteers. Sharon Miller asked if they had any money to work with. Karen Bembridge stated that there is money available in the Tennis Court fund. Fran Coffin asked who was going to structure this committee. Jack Caldron stated that is was the responsibility of the School Board to set it up and to put the word out in the community. Bob Lord stated that this will be the 2nd or 3rd committee that has been formed to take care of the Tennis Court. He remembers that everything was contingent on getting a grant, and the grant was never written. He went on to add that this was a promise made by the School Board 13 years ago when the new school was built and it has never happened. Gloria Coffin stood and stated that she will personally assume responsibility that this committee will be started and something will be done. Theresa Choquette wanted to know if this money was also going to help with the playground. Fran Coffin added that the original playground was made by donated materials, and why couldn't it be done again. Pete Eames added that the back field needs to be smoothed out, that in its present condition, it is a hazard for our students to be playing on it. Fran Coffin asked if we could do this through donations. There was no reply from the School Board.

The Moderator asked for further discussion. There being no further discussion, he asked for a vote. A voice vote was in the affirmative and Article 10 was passed.

ARTICLE 11: To see if the District will vote to establish a Playground Capital Reserve Fund and to raise and appropriate the sum of \$10,000.00 to be added to said fund and to further name the School Board Members as agents of said fund. (Recommended by the School Board)

Sharon Miller made a motion and Fran Coffin seconded that Article 10 be accepted as read.

The Moderator asked for discussion.

Fran Coffin, as I mentioned in Article 10, the original playground was built by volunteers, why can't it be done this way again. Karen Bembridge stated that this was to include all play areas, including the back field which is uneven, and students are getting hurt while playing out there, and the present area where the basketball hoops are has a drainage problem. Lori Hall asked if this was a separate fund or to be added to the original amount. Fran Coffin stated that we have \$20,000 sitting in an account, and how are we going to expend it. Rick Nadig wanted to know who determined the amount without a committee. Gloria Coffin stated that we will be incorporated the tennis court and playground and will combine everything into one. Bob Lord suggested that we need to incorporate a tennis court and a basketball court and added it would be nice to have it lit at night for the older guys to be able to play. Wanda Garrow said that the original plan was for both tennis court and basketball court. Betty Leduc asked how much was in the fund, and Fran Coffin replied it is shown on page 48 of the town report. Fran Coffin went on to suggest the we combine the moneys in this fund with the monies in the Akers Pond boat ramp fund and then apply for the Elsi grant which will match 50/50 and will have the funds by November. Susan Dupuis asked how we could take funds that were designated for the Akers Pond fund and use it for the school. Fran Coffin stated that the Akers Pond fund also included outdoor improvements. Wanda Garrow reminded everyone that she is still getting letters about this, and still nothing is being done. Sharon Miller as to move the question.

The Moderator asked for further discussion. A voice vote was made but it was too close to recognize. He asked for a vote with show of hands.

There were 15 yes, and 12 no's. Article 11 was passed.

ARTICLE 12: To see if the District will vote to establish a Technology Capital Reserve Fund and to raise and appropriate the sum of **\$5,000.00** to be added to said fund and to further name the School Board Members as agents of said fund. (Recommended by the School Board)

A motion was made by Sharon Miller and seconded by Fran Coffin to accept Article 12 as read.

The Moderator asked for discussion.

Clara Grover asked who was going to be the agents of this fund. Pauline Plourde stated that this was the request of the School Board, so that they wouldn't have to wait for a meeting to be able to make the purchase if needed. Fran Coffin asked if this fund was to set up for new technology. Pete Eames replied that it was for new software. Fran Coffin asked how we were set up now at the school. Dan Shallow responded that we do use the computers for internet research and we will be having keyboarding capability. Pauline Plourde further clarified that this was to allow the expenditure without public discussion.

The Moderator asked for further discussion. A voice vote in the affirmative, and Article 12 was passed.

ARTICLE 13: To see if the District will vote to raise, appropriate, and expend the sum of **\$367,810.41** for the support of the Errol Consolidated School, and for the payment of statutory obligations of the District, said sum to be in addition to the sums raised under other Articles in this warrant. (Recommended by the School Board)

A motion was made by Sharon Miller and seconded by Larry Enman to accept Article 13 as read.

The Moderator asked for discussion.

Betty Leduc asked for the breakdown of expenditures. Pauline Plourde told everyone if they looked in the report on pages 4,5,6,7,8,9,10 it shows all the figures and how the moneys will be spent. She went on to explain the figures on page 4 and the explanation on page. Rebecca Hebert-Sweeny explained that the special education budget only increased in the amount of \$259.00. The SAU budget of special education you have to show what comes in from Federal moneys and show it as revenue, it is balanced out with expenditures. Rick Nadig asked how many students was expected next year. Dan Shallow replied 26. Rick Nadig went on to ask what the state averages were. Pauline Plourde replied that the state average is \$6,203.65 and high school \$6,984. We are receiving tuition from Maine for 3 students. Charlie Kurtz asked if the school was losing money. Bob Lord explained that Errol's budget is higher because we still have to have the same basic needs that are state mandated. He added that Milan doesn't want our students and we don't have any choice but to pay the higher per pupil cost. He remembers when we used to have 102 students, but times have changed. He agrees that it is a lot of money, but we have to cover it. Sharon Miller agreed that even with the fewer students, it is necessary.

The Moderator asked if there was any further discussion. There being no further discussion, the Moderator asked for a vote. The voice vote was in the affirmative and Article 13 was passed.

ARTICLE 14: Shall the school district accept the provisions of RSA 198:20-b providing that any school district at an annual meeting may adopt an article authorizing indefinitely, until specific rescission of such authority, the school board to apply for, accept and expend, without further action by the school district, unanticipated money from a state, federal or other governmental unit or a private source which becomes available during the fiscal year?

A motion was made by Fran Coffin and seconded by John Travers to accept Article 14 as read.

The Moderator asked for discussion.

There being no discussion he asked for a vote, voice vote in the affirmative and Article 14 was passed.

ARTICLE 15: To transact any other business that may legally come before this meeting.

A motion was made by Fran Coffin and seconded by Wanda Garrow.

The Moderator asked for discussion.

Fran Coffin stated that the School Board needs to look into the issue of declining school population. He suggested the possible opening of a preschool or daycare program to help use the school to its fullest capability. Theresa Choquette agreed that it was very important for preschool children to get the socializing. She went on to add that her child will not be coming to the Errol School because of the rumors she has heard about the school.

Sharon Miller again urged that we change the start of the meeting to 7:00, to enable working people who have to travel to make it on time.

Sharon Miller wanted to thank Dan Shallow and the School Board for supporting the developing for his involvement in the Kiwanis Builders Club. They should be commended because there aren't that many in the country. She went on to add that we should be proud to what he has accomplished in our small school

Wanda Garrow stated that the high school tuition amount is incorrect. There are two students missing from the budget.

Lori Hall commended the school on her daughter's schooling. Her daughter finished 1st in her class, and 3rd in the Colebrook High School, she went on to add that the school is what you make of it.

Bob Lord asked about the aides salaries. He wanted to know why aides that have been with the school for many years are getting the same salary as ones who have just started. He went on to say that we are lucky to find good aides, he also reminded everyone that our teachers are older ladies that are near retirement and it will be hard to find replacements that are willing to come to Errol and do a good job. He suggested that the Town look into the possibility of purchasing property that can be used as rental for new teachers in the future.

There being no further discussion or questions the Moderator asked for a vote to adjourn.

Fran Coffin made a motion and it was seconded by Sharon Miller to adjourn the meeting and the meeting was adjourned at 7:45 PM.

The polls remained opened until 8:00 for anyone who wanted to vote.

INDEPENDENT AUDITOR'S COMMUNICATION OF REPORTABLE CONDITIONS AND OTHER MATTERS

To the Members of the School Board
And Superintendent of Schools
Errol School District
Errol, New Hampshire

In planning and performing our audit of the Errol School District for the years ended June 30, 2001, we considered the District's internal control structure in order to determine the scope of our auditing procedures for the purpose of expressing our opinion on the financial statements. Our review of these systems was not intended to provide assurance on the internal control structure and should not be relied on for that purpose.

Under the standards established by the American Institute of Certified Public Accountants, reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control structure that, in our judgment, could adversely affect the District's ability to record, process, summarize, and report financial data consistent with the assertions of management in the financial statements. A material weakness is a reportable condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors or irregularities, in amounts that would be material in relation to the financial statements being audited, may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might constitute reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses as defined above.

We are pleased to report that, during the course of our review of internal controls, no material weaknesses in the District's accounting systems and records were identified. Minor weaknesses or other considerations coming to our attention were generally procedural in nature and dealt with administrative or record keeping practices. In these instances, we made specific recommendations or provided instruction to those individuals involved during the course of our audit fieldwork. Areas of opportunity for further consideration include:

- Improvement of student activity records
- Policies re: memorial and scholarship funds in the custody of SAU 20

This report is intended solely for the information and use of management and others within the administration. This restriction is not intended to limit distribution of this report, which is a matter of public record.
